Signature experience

The Olive Oil Spa Sommelier's Massage

A unique ritual tailor made for Elaiwa Spa, an extension of the Spa Sommelier concept. Inspired by the three varieties of olives found in La Mancha - Picual, Arbequina y Cornicabra - and their numerous benefits, along with the best manual techniques from around the world, our team of qualified professionals have designed three exclusive massages and oil blends to offer you a truly unique spa experience. Our Olive Oil Spa Sommelier will start your experience with an olive oil tasting ritual, and depending on the oil you choose and your wellness needs at this moment in time, your therapist will personalise your massage.

Massages

Jetsetter's Remedy

A massage designed to help those with a hectic travel agenda recover from their trips. Inspired by the benefits of cryotherapy, this treatment combines Swedish massage techniques with the use of cooling Akwaterra ceramic poultices on the legs to stimulate the body and improve blood circulation. A medium pressure massage that improves energy flow, strengthens the immune system and helps restore the body's natural biological rhythm.

60 minutes

Tight Back Relief

A massage that concentrates on the back, neck, shoulders, lower back and hamstrings. The perfect solution for back aches and pains. A firm pressure massage designed to relieve accumulated tightness and tension brought on by sporting activities, exertion, stress or poor posture. This massage also includes techniques applied to the face, lower back, hamstrings and calves - areas that tend to become stiff and lose flexibility due to back strain. A sense of relief and restored movement!

60 minutes

Relaxing Head & Scalp Massage

Enjoy a state of deep relaxation. This massage combines gentle and stimulating techniques applied to the back, shoulders, neck and head to improve blood circulation and nourish the scalp. Ideal for those who suffer from headaches.

30 minutes

Tired feet relief

Our feet are one of the most mistreated parts of the body. Under daily pressure from the body, shoes, walking and physical activity, our feet deserve as much care and attention as the rest of our body. A comforting and relaxing massage, combining soothing strokes and deep circular movements with L'Occitane's Revitalizing Essential Oil Blend, helps the body to unwind, improves blood circulation and releases tensions. Your feet and body feel lighter, ready for a new journey!

30 minutes

Booster Massage

Choose between a back, neck and shoulder massage or a leg massage. Enjoy your 30-minute massage tailored to your body's needs and its areas of tension and tightness. Ideal after a hydrothermal circuit and with a facial treatment.

30 minutes

Oncological recovery therapies

Each person is unique, and each cancer is different. That is why our entire team at Elaiwa Spa has been trained by the prestigious non-profit organization, Wellness For Cancer. Each massage is carefully tailored to the wellness needs of each client to ensure a truly personalised a experience.

Relaxing Massage

A relaxing massage that is personalised according the wellness needs of the client at this moment in time. Ideal for alleviating emotional stress and physical pain, as well as helping with sleeping difficulties. Your body and mind feel truly calm and relaxed.
